Please comment on student's leadership and extracurricular activities:

The letter addressed to parents should be sent home with all nominated candidates.

** Young men of both African and Latino American heritage have been grossly underrepresented in independent schools and colleges, and the Oliver Scholars Program has a commitment to closing this achievement gap. To this end, we encourage you to nominate high achieving and promising boys, even if they do not fully meet all the criteria and let us determine if we can work with them.*
